4 HEIRLOOM BASKETS. BROWN SHOP BEARS. STERLING SILVER JEWELRY

272 MASON FARM DR, KEARNEYSVILLE, WV 25430

Nested in the outskirts of the village of Middleway, Anne Bowers' studio is part of the farmstead that she and her husband have enjoyed for many years. The old red barn and star-topped silo are near the studio where she weaves and creates utilitarian and whimsical HEIRLOOM BASKETS. Hallmarks of her work are the attention to the technicalities of the woven form and the wonderful colors that enhance her weaving, often integrating found objects and inspirations from nature. Treva Blackford will be displaying her delightful BROWN SHOP BEARS, cats, bunnies and foxes outside in the farm's wagon shed. Expertly crafted from mohair, Treva's animals are true collectors' items. Fran Brolle's STERLING SILVER JEWELRY is dazzling and includes pendants, rings and bracelets made with dichroic glass.

2 WATERCOLOR PAINTINGS. SCULPTURAL WOOD VESSELS. FREE FORM KNITTED GARMENTS. SILVER JEWELRY

6485 SUMMIT POINT RD, CHARLES TOWN, WV 25414

Mikkey Tarantino's home studio is a sun-filled gallery where you can see many of her original WATERCOLOR PAINTINGS in progress. Her reality-based paintings, which sparkle with color, depict everyday objects, often with a little twist. She will be hosting Bruce Fransen, a wood artist extraordinaire. Bruce begins his SCULPTURAL WOOD VESSELS with a log and a chainsaw and ends with a highly polished surface which enhances the wood grain and gives a glass-like feel to the finished carving. The color and movement in Susan Shildmyer's FREE FORM KNITTED GARMENTS create wearable art that is completely unique. Carrie Singer embellishes her SCULPTURE and original SILVER ART JEWELRY creations with 24K gold, pearls and semi-precious stones.
